IWS 2k10

International Welding Symposium

10-12 FEBRUARY 2010, MUMBAI

www.iws2k10.com

B&F +91 22 2668 6633

IWS

Organised by:

IWS

Supported by:

The Indian Welding Society (IWS), a leading professional body dedicated to the cause of welding in India, was formed by **Welding Professionals** from the leading Fabrication Industries, Welding Equipment & Consumable Manufacturers, Educational & Research Institutes etc. with the idea of providing a forum for **Propagating The Developments In Welding Technology**.

It is governed by a National Governing Council comprising of senior executives of Welding & Fabrication Industries, Welding equipment & Consumable Industries, Research & Educational Institutes, Govt. Departments and many other welding professionals & consultants. A federal set up with **five zones** viz. North, South, East, West and Central and centres at various places under respective zones. Centers at Angul, Annamalai Nagar, Bangalore, Chennai, Coimbatore, Haridwar, Hyderabad, Longowal, Indore, Mysore, Kochi, Ranipet and Vizag. Office bearers of the society are elected through **postal ballot system**.

Innovative Processes in Materials Joining & Surfacing

OBJECTIVES

To Promote the Advancement of Welding, Cutting, Reclamation, Hard Facing and related Technologies and other allied sciences.

To facilitate Exchange Of Ideas, Information, Development Work etc. amongst members; by organizing lectures, workshops, seminars, symposia, conferences and Development Programs.

To promote Professional Exchange of Information, Experience And Advanced Training within and among various countries across the globe.

Bring forth various Education and Career Opportunities.

Bright Prospects in terms of Finance Options from the Best Banks & Financial Institutions in the Country.

IWS

The IWS 2k10 Symposium will be held from **February 10th to 12th, 2010** at the Bombay Exhibition Centre, Mumbai by the **Indian Welding Society** in association with **DVS (German Welding Society)** 2 Day Welding and 1 Day Thermal Spray conference.

"**Schweissen and Schneiden**" a 3 Day Welding Exhibition, is organized by **MESSE ESSEN** and **MESSE Dusseldorf India** & will be held concurrently at the same venue.

SYMPOSIUM TOPICS

The 3 day Symposium will cover the **latest developments and advances in welding and surfacing technology** related to an array of topics, namely:

- ▶ Innovations in Materials Joining & Surfacing
- ▶ Welding Processes & Applications
- ▶ Thermal Spray Processes & Applications
- ▶ Mechanization & Automation in Welding
- ▶ Cost & Economics of Welding
- ▶ Failure Analysis
- ▶ Inspection, Testing, Quality Control & Assurance
- ▶ Repair, Reclamation, Maintenance & Surfacing
- ▶ Mechanical & Corrosion Properties, Residual Stress & Distortion Control
- ▶ HRD, Training, Certification & Welding Education, Safety & Productivity

CALL FOR TECHNICAL PAPERS

Technical Papers are invited on the theme of the Symposium and the topics mentioned above. Important dates with respect to the invitation are as follows:

Last day for receiving abstracts: **10th Nov. 2009**

Announcement of the accepted abstracts: **10th Dec. 2009**

Last day of receiving the full papers: **10th Jan. 2010**

Announcement of the accepted papers: **26th Jan. 2010**

IWS

INVITATION TO DELEGATES

The Symposium provides professionals with an **Opportunity to Meet** a conglomeration of people from diverse groups on a common platform. The deliberations during the symposium will enable delegates to **Enhance Their Knowledge & Stay Updated** about the latest state of art technology.

We invite all welding technologists, practicing engineers, researchers, industry representatives, academicians, students & others to participate in IWS2k10, Mumbai.

Around 500 delegates are expected to attend the Symposium. **More than 50 technical papers** will be presented from renowned organizations & research institutes from India and abroad.

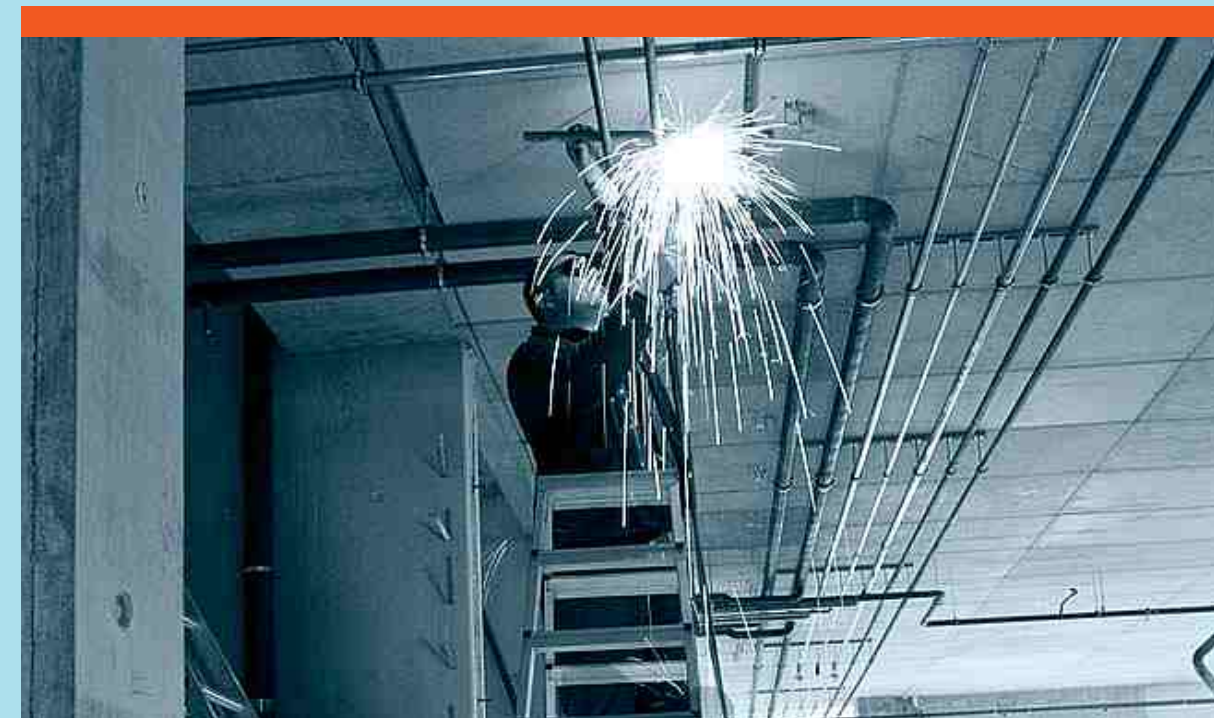

"Schweissen & Schneiden" 2010 exhibition, to be held concurrently with the IWS2k10 Symposium will make an **Excellent Networking Prospect**.

DELEGATE REGISTRATION FEES DETAILS:

IWS Members	Rs. 3500/-
IWS Non - Members	Rs. 4500/-
Students*	Rs. 1500/-
Foreign Delegates	US \$200

Special Early Bird discount: Rs. 500/-, If registered along with full payment received up to November 14, 2009

*Offer not Applicable.

IWS

PROGRAMME SCHEDULE

Day 1:	Day 2:	Day 3:
Inaugural & Session	Session 1 & Session 2- Thermal Spray	Session 1 & Session 2- Welding
Session 1, Session 2- Welding Topics	Session 3, Session 4- Thermal Spray	Session 3, Session 4- Welding Topics

SPONSORSHIPS OPPORTUNITIES

Technical Proceedings of IWS2k10 will be brought out and will be **Widely Circulated** to various industrial establishments & our delegates. It would be **An Ideal Media** for publishing advertisements by organizations in the arena, as the proceedings will have a wide reach among professionals. The organizers solicit the active support and participation of companies to sponsor the event and make it a grand success.
