Aluminium Brazing 2018

The International Aluminium Brazing Congress, organised by the DVS – German Welding Society, will take place from 12 – 14 June, 2018 in Düsseldorf/Germany in the Radisson Blu Scandinavia Hotel.

Leading specialists and authorities from the sector, well known experts from industry and research and other important decision makers from this field will further promote surface technology by means of presentations, comments and technical discussions.

The congress will, of course, also deliberately provide numerous opportunities to establish or strengthen business relationships, establish personal contacts and expand networks. An exhibition of participating companies running concurrent to the congress will help getting further contacts.

The organisers invite interested authors to submit their abstracts by **12 November, 2017** using the online system on: www.dvs-ev.de/aluminium-brazing

Subject Groups:

- A Opening Presentations
- B Materials
- C Applications
- D Equipment
- E Process & Quality Control
- F Research & Development
- G Testing & Design

Additional Information:

Presentations should be kept to 20 to 25 minutes, with a further 5 minutes at the end for discussion.

The Congress language is English.

Speakers will be informed in writing about the acceptance of their presentations. They will be able to attend the congress free of charge (excluding hotel costs).

All manuscripts must be written in English and submitted electronically.

The manuscript deadline for all contributions will be **9 February, 2018**. Selected congress contributions will be published in the conference proceedings which will be available at the conference.

Accompanying Exhibition:

In addition to the presentations, there will be an exhibition from 12 – 14 June, 2018, where companies will have the opportunity to present themselves to an international specialist audience. Exhibition spaces and counter displays (1-3 sqm) can be made available in the lobby area of the hotel. Because of the positive feedback for the last exhibition and very limited space, we recommend you to book early (first come first serve).
